

# OCCUPATIONAL FIRST AID

Bookings – 02 6282 2399 or [coursebookings@stjohnact.com.au](mailto:coursebookings@stjohnact.com.au)

## OVERVIEW

Occupational First Aid is specifically designed for people employed as Occupational First Aiders and those seeking to take on such roles. The Occupational First Aid course will equip the participants with the knowledge and skill necessary to maintain a First Aid room in a workplace. The course includes Advanced Resuscitation and Advanced First Aid.

### Occupational First Aid training covers:

Advanced Resuscitation	Designing and setting up a First Aid Room
Advanced First Aid	Management of First Aid documentation
Role of the Occupational First Aider	Planning a response to a major workplace incident, including scenarios and a debrief.
Workplace Safety	
Risk Assessment and OH&S Legislation	

## AWARD

Students who attain competency will be awarded a Statement of Attainment:

- Apply First Aid – HLTF301B
- Apply Advanced Resuscitation Techniques – HLTF404A
- Apply Advanced First Aid – HLTF402B
