

SENIOR FIRST AID Training Schedule July 2009

One Day Training Course

\$178.00 per person (\$160.20 concession)

One day Senior First Aid training is a blended approach to training. Students complete part of the theory component in their own time through the use of a CD-Rom or a workbook, prior to undertaking the one-day practical component.

This form of training minimises time out of the workplace and delivers superior results as students are able to learn at their own pace.

A CD-rom or workbook needs to be collected at least seven days prior to coming in for the practical training day. These can be posted out at a cost of \$8.00 per pack.

The training pack includes the CD or workbook, Australian First Aid manual and all necessary bandages etc to complete the training.
