

Important Message

As of 1st January 2016, all students enrolling in a nationally accredited training within St John Ambulance will require a Unique Student Identifier (USI).

A USI is a reference number which will allow an individual's USI account to be linked to the National Vocation Education and Training (VET) Data Collection allowing an individual to see all of their training results from all providers including training units and qualifications.

All students enrolling in St John Ambulance courses are required to obtain a USI prior to the booking of your course and provide this to St John Ambulance. Without a USI being provided St John Ambulance is unable to issue a Statement of Attainment or Qualification certificate.

A USI and further information can be obtained by visiting the following website.
